

DUNLOP®

FIELDPRO THERMO+ FULL SAFETY

Purofort® Ultra Heavy-Duty protection that fits like a sneaker

Protection and comfort

- The lightweight purofort ensures that the feet do not tire until the job is done
- Unmatched cold protection in the harshest weather down to -60°C / -78F
- Lightweight, durable toe cap and midsole made of composite material. EN ISO 20345:2022 S5L CI CR SR FO LG

Outsole

- SR-certified outsole for maximum grip despite the toughest conditions
- Outsole wear indicator to monitor sole abrasion
- Tested at the Dunlop Innovation Centre under much harsher conditions than normal loads, in order to ensure ultimate grip even on the most difficult surfaces

Shaft

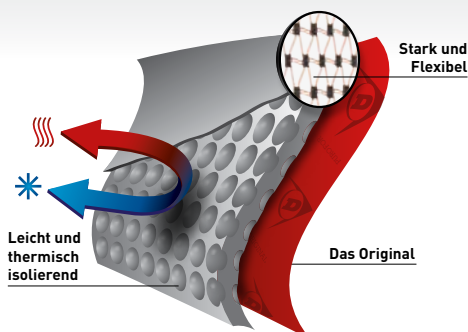

- Perfect fit with Dunlop's innovative sneaker fit to prevent heel slippage
- Extremely durable Purofort® lasts longer than the competition and provides long-lasting comfort
- Purofort keeps feet warm in the cold and cool in the heat
